STUDY ABROAD!

Steps to take before intending to study abroad

01
Plan to study abroad

02
Consult the MRC counsellors for information about scholarship opportunities

03
Decide on a country of destination for your study abroad

04
Check entry and visa related requirements for your desired course

05
Assess which language proficiency test you require (IELTs, Duolingo, TOEEFL, etc.)

06
Ensure you have sufficient funds to pay your tuition fee & support your cost of living

07
Apply for your course at the desired university

08
Submit your application form including all supporting documents (application form, motivational letter, letter of recommendation, etc.)

09
Await response from the university (offer letter or similar)

10
Pay university tuition fee

11
Receive confirmation of enrolment from the university

12
Immediately apply for a student visa

13
Wait for a positive visa response from the concerned Embassy

14
Begin preparatory work for your study abroad

15
Liaise with MRC team for a pre-departure orientation session
